Luxurious and spacious 3 bed apartment located in Golf Resort, Torrequebrada. This is currently one of the largest and best examples available in this community and without a doubt few apartments in Benalmadena could compare with this. The property has been completely refurbished to very high standard, particularly attractive to the discerning buyer. The property offers particularly large lounge with direct access to sunny

terrace. Master bedroom with access to main terrace, plenty of wardrobe space and ensuite bathroom. Large independent, modern, and fully equipped kitchen with breakfast area. Two further bedrooms, one with own terrace. Included in the price is underground parking space/storage room located directly below apartment with lift access. Great apartment, few can compare to this, viewings highly recommended!
