A very quiet and well-kept area, ideal for families with children or as a holiday residence.

The house has a total of 120 Sq m built and another 50 Sq m of terrace facing Southeast, which provides

plenty of light and guarantees many hours of sun.

Large living room with access to it, spacious independent and fully equipped kitchen, 5 bedrooms and 2 bathrooms. It also has a private underground garage.

The house can be accessed through 2 entrances, either through the main one or through the other side, through the terrace, since it communicates with the community spaces through a gate.
