FOR SALE: URBAN PLOT + project on Cártama Street, located just 100 meters from Alcalde Clemente Diaz Ruiz Avenue, the main avenue of the district.

It has a surface area of 166m² in the best residential area of Fuengirola. Suitable for building a home or for investors interested in a highly profitable property.

Only 800 meters away are the beach and the marina, with shops and supermarkets just a 5-minute walk away.

A project has been developed if you are interested.

One of the few remaining in the area.

Call me and let's take a look!
