The residence design is inspired in Higerón Hotel, following the same avant-garde line and using sustainable materials such as corten steel, stone and wood.

The houses will be numbered as if it were a hotel and this is no coincidence. People who buy a home in this residence will be able to enjoy exclusive services from Higerón Hotel Curio Collection by Hilton 5*.

Art is a fundamental pillar of this project. The owners will live surrounded by exclusive pieces as if it were a gallery. In addition, the 4 blocks take the name of renowned contemporary artists such as Leiro, Brinkmann, Darko and Alfil.

The 2, 3, and 4-bedroom homes are diaphanous and spacious, with an elongated sliding door to duplicate the entrance of natural light and enjoy much better views.

Architecture and nature merge in a dream project: 164 homes surrounded by native vegetation. Composed of 70 Deluxe Apartments, 49 Garden Villas, 25 Sky Villas and 20 Sky Penthouses.
