The house has a bedroom, a bathroom, and a cozy living-dining room with an open kitchen, which gives access to a balcony with sea and mountain views. Thanks to its orientation and layout, the apartment receives plenty of natural light throughout the day. The building offers a communal swimming pool to cool off in summer, as well as a storage room and underground garage space, which provides comfort and extra space. Its location is unbeatable: a few steps from the beach, and close to shops, schools and all the necessary services for day-to-day life. An ideal home both as a permanent residence, second home or investment on the Costa del Sol. The property has a tourist rental license, which makes it an excellent investment opportunity.
