the master bedroom. The layout is practical yet inviting, designed to support both family life and moments of rest, with spaces that feel calm, functional, and easy to live in. This property includes a private underground parking space as well as a storage room.

### Seamless Indoor–Outdoor Flow

As a ground floor apartment, the home truly shines through its open connection between the kitchen, living room, and main terrace. This terrace extends naturally from the living area, offering space for a barbecue and relaxed outdoor dining – perfect for long evenings and shared meals. A second terrace is connected to the master bedroom, enjoying the morning sun and providing a quiet retreat to start the day.

### An Active Lifestyle Close to Nature

Located in Vitta Nature, this home is ideal for an active family who values proximity to nature and a healthy way of living. The community offers access to a gym, padel courts, a golf putting green, and a children’s playground, while scenic surroundings encourage outdoor activity and time spent in the fresh air.

### Beach or Pool – Your Choice

The beach is just a 20-minute walk away, offering an easy escape to the sea whenever you feel like it. For days spent closer to home, the community features three swimming pools, as well as an indoor pool, providing a relaxed alternative for both adults and children.

### A Community Built for Balance

Vitta Nature is designed for those who want the best of both worlds – a peaceful residential environment combined with facilities that support an active, social, and family-friendly lifestyle. Here, everyday life feels unhurried, connected, and close to what matters.
