A perfect blend of luxury, tranquillity, and investment potential—this apartment is a must-see!

This contemporary 3-bedroom, 2-bathroom ground-floor apartment offers the ideal blend of comfort, style, and outdoor living. With direct access to a large sunny terrace and a beautiful garden with private use, yet manicured by the gardeners of the community, it's perfect as a holiday retreat, year-round residence, or high-yield investment. Bright & Spacious Living – An open-plan living and dining area flows seamlessly onto a generous outdoor terrace with immediate access to a well-kept garden, creating an extended living space ideal for relaxing or entertaining.

Modern Kitchen & Laundry Room – A fully fitted kitchen with premium appliances and a separate laundry area offers both style and practicality.

Elegant Bedrooms – The master bedroom features an en-suite modern bathroom, fitted wardrobes, and direct terrace/garden access. Two additional guest bedrooms share a contemporary bathroom.

The luxurious gated community features tropical gardens and two swimming pools. As its name "BOTANIC" suggests, the green areas are also a major part of the design, using vertical gardens and green corridors. The developers have aimed to create a botanical journey through the vegetation of the 5 continents via more than 500m pedestrian walkways across the development.
