This is one of the best villas i have listed for some time.

Simply beautiful,

spacious family property with lovely view over La Cala Golf and down to the sea.

on entering the villa through a traditional little courtyard you enter on the top level where you have 3 bedrooms of of there being the master with ensuite and dressing area.

all bedrooms are good double rooms with built in wardrobes.

the middle level is where you find the main living accommodation, an exquisite kitchen with large breakfast bar and sitting room, this leads into an open plan lounge diner, this leads out onto extensive terrace which

has stairs down to the pool area and garden,. Guests bathroom also on this level.
 on the lower level you have 2 additional bedrooms and a games room which could also become a 6th bedroom, utility area and washing room, large entertainment room and space if needed to add a staff suite.
 outside is a large pool and terrace area, which leads down to a private garden.

if you are looking for a turn key villa with all the space you would ever need, this is worth a viewing
