Very bright 2 bed 2 bath open plan penthouse apartment with floor to ceiling glass sliding doors providing lots of natural light. Top quality appliances by Bosch, built-in wardrobes in bedrooms, air conditioning hot/cold and home automation system integrated. Two private parking spaces and a storage room included. Great place to spend your family holidays and good rental potential thanks to its unique location with the beach, bars, restaurants, shops and Carvajal train station connecting directly to Málaga Airport literally on

your doorstep.

The Med Two Collection is a very exclusive project in avant-garde style consisting of 38 luxury 2 bed apartments and penthouses sitting in a privileged location only 250 meters from Higuaron Beach. We are proud to present this beautiful penthouse with great sea views from the ample terraces offering 173m2 of outdoor living space and comes with extraordinary qualities as Italian kitchen, underfloor heating in living room and bathrooms, pergola covered private hot tub and barbecue galley on the rooftop terrace and large common areas with an infinity pool and carefully landscaped green areas.

Med Two Collection is part of the Reserva del Higuaron resort hosting a Nagomi Spa, Sport Club, Padel and Beach Club.
