## JUST REDUCED FOR QUICK SALE

Welcome to this lovely, detached villa in El Faro, Mijas Costa. When entering the villa, you are met with a bright, modern, open plan lounge/kitchen area. From the lounge area, you can access the garden through patio doors. The garden has a seating, dining and BBQ area as well as a private heated pool, which is fenced off, making it nice and safe if you have children or pets. From the kitchen area, you have a door that leads out to a private patio area, making it an ideal area for laundry. A hallway leads off the lounge area, giving you access to the 3 bedrooms and 2 bathrooms, 1 of which is ensuite. Both bathrooms have been modernised. From the outside of the property, you can access the private stairway that leads to a small roof terrace. A perfect place to sit with a glass of wine whilst looking out to the sea.

The Property has the added advantage of a basement area that consists of 1 single bedroom, 1 double bedroom and one bathroom. This has a separate entrance to the main house and could be converted to a 1-bedroom apartment. This area has a private patio.

The villa currently has a rental license, so would make a great investment. It would also be the perfect place to live in all year round.

There is also the added advantage of 2 community pools.
