Beautiful 4 Bedroom, 5 1/2 bathroom villa for sale in El Rosario, East Marbella.

The property is set in a privileged location facing south-east with stunning panoramic sea views.

The house is entered at street level through a courtyard into an ample entry leading to the 60 m² living and dining area with a large terrace providing this level with ample light and stunning sea views. Also on this level there you have the fully fitted kitchen and utility room, a half bath and a bedroom with en-suite.

Downstairs there are 3 double bedrooms, each with patio doors opening on to a large wrap-around terrace.

All bedrooms have large closets and en-suite bathrooms (jacuzzi tub and separate shower in master bath).

From this level and across a landscaped garden there are steps down to a private pool, terrace and BBQ area.

A gate from the pool area leads down to an orchard of fruit trees. The property also has 2 large storage rooms, a garage and a ping pong terrace.

A lot of property for the money in a beautiful area with great potential.
