Unique GardenVilla in prestigious Higueron!

Welcome to Higueron West, which is directly adjacent to Hilton's Curio Hotel, which is a 5-star facility with

lots of activities such as spa, 800m2 gym, restaurants, padel facilities, shuttle bus, beach club and several pool areas, etc.

Once inside the area, you are welcomed by a calm where the homes are embedded in a lovely atmosphere with vegetation, fine stone arrangements, lighting around the area and the large pool facility.

The enlarged garage includes two parking spaces and a large storage room. From the garage you take the lift directly outside the door to the residence..

Once inside this floor, you are greeted by a feeling of high quality in Scandinavian style with an open floor plan and lots of light.

The large sliding sections give the impression that the terrace and living room are one large room. Perfect for lovely socializing with friends where you can enjoy the wonderful view of the pool area and the sea. Since this home is a corner apartment, it has the advantage that all bedrooms have their own sliding sections out to the terrace/garden.

The home has 3 well-sized bedrooms and 2 bathrooms. The master bedroom has its own walk-in closet and a large bathroom in luxurious design with a double shower.

The open kitchen facing the living room has been equipped with quality kitchen equipment and a side by side fridge/freezer and wine cooler for a little extra luxury feeling.

For those looking for a handicap-adapted home, this is something unique because there is a lift from the garage into the home, all on one level, access to the terrace from all rooms and a double shower in the master bedroom.

This home is perfectly adapted for those who want a home out of the ordinary in a wonderful location on the Costa del Sol .. in addition, we can arrange access shortly so you can fulfill your dream and why not celebrate summer in Spain for a change!
