A plot in Paraiso Alto Benahavís with great sea views sounds like a dream! With the possibility to build a 2000 m² villa, you have endless opportunities to create a luxurious and spacious home tailored to your desires. Imagine waking up to panoramic views of the sea every morning, enjoying the Mediterranean breeze from your terrace, and basking in the beauty of the surrounding landscape.

From designing your villa with state-of-the-art amenities to landscaping the grounds to perfection, there's so much potential to create your own slice of paradise in this sought-after location. Whether you envision a contemporary masterpiece, a traditional Andalusian estate, or something entirely unique, this plot offers the

canvas for your vision to come to life.

Not only will you have the pleasure of enjoying your stunning home, but investing in property in such a desirable area like Paraiso Alto Benahavis also offers the potential for excellent returns in the future. It's a rare opportunity to combine luxury living with a smart investment, all while enjoying the beauty of the Costa del Sol.
