Discover this charming duplex with panoramic views of the sea and nature, designed to offer you an unparalleled living experience.

On the first floor, upon entering, you are greeted by a spacious and bright living room that offers impressive views of both the sea and the surrounding nature. This space is perfect to relax and enjoy the landscape. The well-equipped kitchen is located on this same floor, providing comfort and functionality.

An elegant glass staircase takes you to the lower level, where there is a hallway with built-in wardrobes,

offering ample storage space. A full bathroom is also located here, perfectly designed for your comfort.

The main room, located on this lower floor, has spectacular views of the sea and nature, creating a calm and relaxing environment. This space is designed to be your personal refuge, where you can wake up every day with views of the sea and the beauty of the natural environment.

Imagine a large, sparkling pool, located in the heart of a lush green area. This oasis of tranquility is surrounded by manicured gardens and lush trees, creating an environment of serenity and natural beauty.

The green environment surrounding the pool is meticulously designed with a variety of plants and flowers, adding color and fragrance to the environment. Stone paths wind through the garden, inviting you to take a peaceful walk and enjoy nature.

This area also has covered spaces, perfect for organizing meetings with friends or simply enjoying a moment of peace while contemplating the beauty of the surroundings. The combination of the large swimming pool and the lush green area creates a true paradise, ideal for relaxing and disconnecting from the daily hustle and bustle.
