Additionally, it is near the exclusive Santa María and Ayala Polo Clubs, the Marina, top-notch tennis and paddle facilities, luxury hotels, and the renowned Sotogrande International School.

The villa is situated on a generous plot of 3,015 m<sup>2</sup> and boasts 818 m<sup>2</sup> of built space, surrounded by a mature garden featuring olive trees, hibiscus, bougainvillea, and fruit trees. The large, heated saltwater pool is the centrepiece of the outdoor space. Spread over two floors, the house offers a comfortable and sophisticated living experience.

Upon entering the main floor, you are welcomed by a majestic courtyard with centuries-old olive trees and a stone fountain, enhancing the unique character of the property. On this level, there are two bedrooms, each with an en-suite bathroom and access to private patios with stone fountains. The spacious main living room, with several distinct areas, includes a guest toilet and connects to a cosy sitting room with a billiard table, as well as to a study and a formal dining room. The recently refurbished kitchen integrates with the service area, which includes a bedroom with an en-suite bathroom, a laundry room, and a spacious garage with capacity for two cars and a buggy.

The inviting covered terraces and the large outdoor living space, with various seating options and a summer dining area, offer views of the garden, the pool, and the Natural Park of Los Alcornocales, creating a perfect oasis for enjoying the Mediterranean climate and outdoor living.

The upper floor features the master bedroom, which includes a dressing room, bathroom with shower and jacuzzi, and a private terrace. Also on this floor is another en-suite bedroom, both with access to a large terrace with spectacular views.
